

# Update Notes on the 2020 Edition

The new edition of the *Texas Business Organizations Manual* contains updates based on 2019 legislation and recent rule changes and reflects decisions made through the court term ending in August 2019.

## Changes to the manual include:

- New practice notes on choice of entity; LLC formation, maintenance, investing, and taxation; operating agreements; series LLCs; nonprofits; partnerships; professional entities; and mergers, conversions, and terminations.
- Four updated CLE articles.

## Revisions to form language include:

- Updated Secretary of State forms on entity name, formation, mergers, conversions, and terminations.
- New buy-sell, client services, independent contractor, and nondisclosure agreements.
